

**Motion of the Florida Keys National Marine Sanctuary Advisory Council Supporting  
NOAA Office of Law Enforcement Service in the Sanctuary  
December 10, 2013**

Motion: The Florida Keys National Marine Sanctuary Advisory Council commends the Florida Keys-based NOAA OLE agents for outstanding service to the natural resources, fisheries and people of the Keys and requests that NOAA OLE make every effort to maintain at least two agent positions in the Keys so the excellent record of law enforcement can continue into the future.
