Pigeon Key Wildlife Management Area

Decreases disturbance to mangrove terrapins, mangrove salt marsh snakes, nesting and wading birds including roseate spoonbills, and roosting magnificent frigatebirds in a very important wading bird nesting area. This area is in close proximity to the Intracoastal Waterway.

Upper Keys Region

This map contains proposed marine zone alternatives for public comment. Proposed marine zone alternatives do not reflect agency decision at this time. For more details about the proposed alternatives and zone descriptions, including associated regulations, see Section 3.3 and 3.4 of this DEIS.
