Barnes Card Sound Wildlife Management Area

Decreases disturbance to nesting and wading birds and shallow water gamefish. Decreases impacts to the benthic community including seagrass and macroalgae. A seagrass and macroalgae monitoring program has existed in this area for more than 17 years. Shallow seagrass flats exhibit light to major prop scarring.

Upper Keys Region

This map contains proposed marine zone alternatives for public comment. Proposed marine zone alternatives do not reflect agency decision at this time. For more details about the proposed alternatives and zone descriptions, including associated regulations, see Section 3.3 and 3.4 of this DEIS.
