

Alternative 3 is the same as Alternative 2

Turtle Shoal Sanctuary Preservation Area or Conservation Area

Protects an important complex of mid-channel aggregate and individual patch reefs surrounded by seagrass beds that historically supported large populations of ESA-listed staghorn and pillar corals. This area includes high stony coral cover, resilient reefs, and high fish diversity.

This map contains proposed marine zone alternatives for public comment. Proposed marine zone alternatives do not reflect agency decision at this time. For more details about the proposed alternatives and zone descriptions, including associated regulations, see Section 3.3 and 3.4 of this DEIS.
