## Key Lois and Loggerhead Basin Wildlife Management Area

Decreases impacts to shallow water habitat adjacent to Bow Channel. Many of the shallow seagrass flats in this area exhibit light-to-moderate prop scarring. Decreases disturbance to migrating tarpon that use this basin from February through June. Decreases user conflict between flats fisherman and transiting boaters.

### Lower Keys Region

This map contains proposed marine zone alternatives for public comment. Proposed marine zone alternatives do not reflect agency decision at this time. For more details about the proposed alternatives and zone descriptions, including associated regulations, see Section 3.3 and 3.4 of this DEIS.
