

Little Crane Key and Crane Key Wildlife Management Areas

Crane Key WMA decreases disturbance of nesting and roosting birds including magnificent frigatebird and great white heron.
 Little Crane Key WMA is eliminated. The area shifted following storm events and no longer supports nesting and roosting sites.

Lower Keys Region

This map contains proposed marine zone alternatives for public comment. Proposed marine zone alternatives do not reflect agency decision at this time. For more details about the proposed alternatives and zone descriptions, including associated regulations, see Section 3.3 and 3.4 of this DEIS.
